RAC AUDITS: LATEST DEVELOPMENTS, SUCCESSFUL APPEAL STRATEGIES FOR DMEPOS PROVIDERS, AND EMERGING LEGAL ISSUES

MONDAY, FEBRUARY 22, 2010
2:00-3:30 P.M. ET

Join us for the “RAC Audits: Latest Developments, Successful Appeals Strategies for DMEPOS Providers and Emerging Legal Issues ” teleconference on Monday, February 22 from 2:00 - 3:30 p.m. ET, with Andrew B. Wachler, Principal, Wachler & Associates, P.C.

This teleconference will provide information about recent developments related to Recovery Audit Contractors (RACs), and the impact the RACs will have on DMEPOS suppliers. The presentation will include discussions about the current landscape of audits, the roles of various CMS contractors, and the types of claims the RAC contractors will be focused on initially and in the future. Learn about the approved issues that will directly affect DMEPOS suppliers including wheel-chair bundling, urological bundling, pharmacy supply and dispensing fees, and knee orthotic bundling. Mr. Wachler will also provide a review of current legal and compliance issues and successful appeal strategies for DMEPOS suppliers.

Receive PowerPoint slides and a checklist of the key considerations for RAC readiness, how to respond successfully and manage RAC audits.

SPEAKER: ANDREW B. WACHLER, WACHLER & ASSOCIATES, P.C.
