

AAHOMECARE MEMBER BENEFITS: *Step by Step Registration Instructions*

How to Complete Your Event Registration

AAHomecare webinars and events are a member benefit, but you must complete the full registration process to reserve your spot.

1. Click “Register” on the event page.

You will see the event added to your cart with a total of \$0. This does not mean you are registered yet.

2. Click “Confirm Registration” to finalize your enrollment.

This final step is required. If you skip it, your registration will not be recorded.

3. Look for your confirmation email.

Once your registration is complete, you will receive an event confirmation email.

If you do not receive this email, you are not registered. Please contact AAHomecare staff right away so we can assist you - tillyg@aahomecare.org.

About the “Add to Calendar” Button

Our system may display an “Add to Calendar” option as soon as you click “Register,” even before you complete the final confirmation step.

Please note: Adding the event to your calendar does not mean you are registered.

Always make sure you receive the confirmation email to verify your spot.
